Create safe riding environment

Physical Harassment

What It Looks Like

- Unwanted touching
- Unnecessary physical contact
- Standing too close

Real Examples

- Brushing against passenger
- Touching hand when giving change
- Inappropriate help with luggage

Prevention

- Maintain physical distance
- Ask before assisting
- Respect personal space

Verbal Harassment

Inappropriate Comments

Personal appearance remarks

Intrusive Questions

Asking about relationship status

Lewd Language

Offensive jokes or stories

Unwanted Conversation

Persistent talking despite disinterest

Non-verbal Harassment

Staring

Continuous looking through mirror

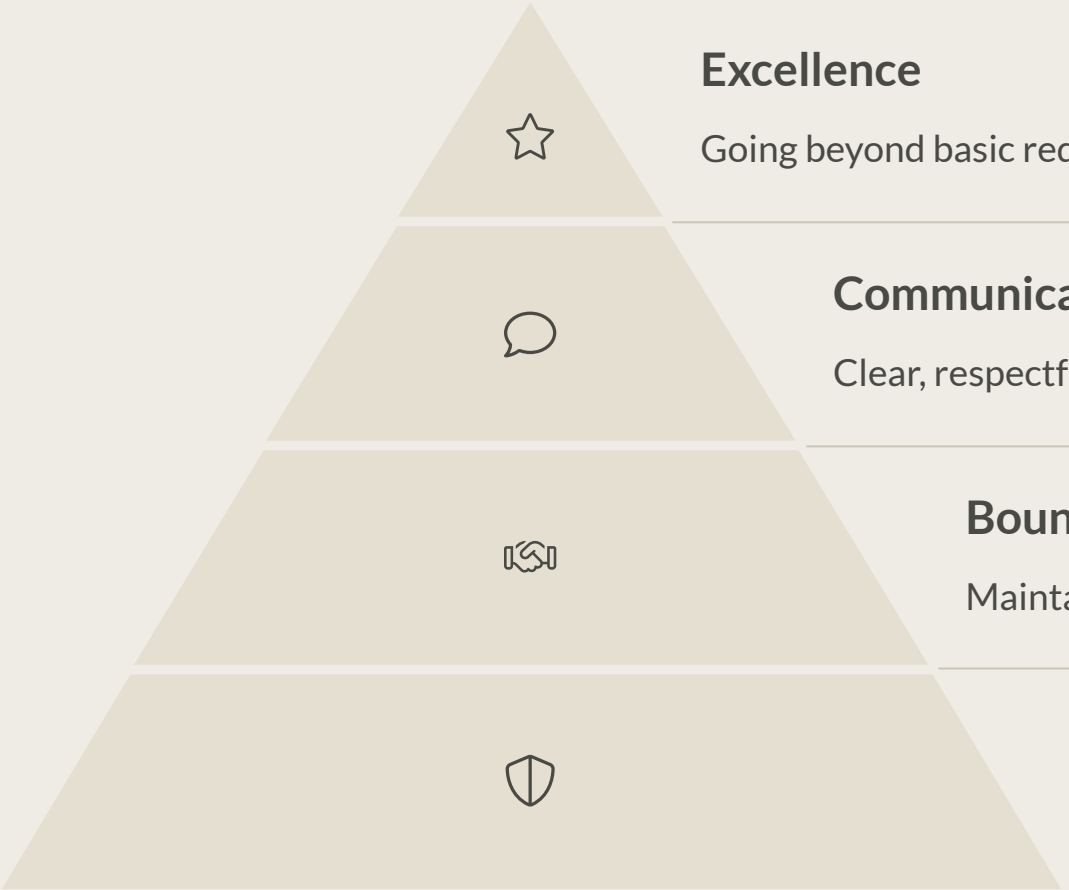
Gestures

Inappropriate hand movements

Offensive Media

Playing suggestive songs/videos

Professional Behavior Essentials



Excellence

Going beyond basic requirements

Communication

Clear, respectful exchanges

Boundaries

Safety

Foundation of every interaction

Professional Behavior Guidelines

Polite Greetings

Simple welcome, confirm destination

Appropriate Topics

Weather, traffic, avoid personal subjects

Minimal Conversation

Follow passenger's lead on talking

Focus on Driving

Safety first, avoid distractions

Safety Measures for Passengers

Route Transparency

Explain route choices, follow GPS

Allow Communication

Let passengers make calls, share location

Vehicle Safety

Clean car, working locks, visible ID

Proper Lighting

Well-lit interior, especially at night

Special Considerations for Night Rides

Increased Vigilance

Extra awareness of surroundings

Main Roads

Stick to well-lit, populated routes

Safe Drop-off

Wait until passenger enters building

Share Location

Encourage trip sharing features

Handling Passenger Concerns

Listen Carefully

Give full attention without interrupting

Acknowledge Concern

Validate their feelings without defensiveness

Take Action

Make immediate adjustments when possible

Report Incident

Document accurately, inform supervisor

Consequences of Harassment

100%

Zero Tolerance

All complaints investigated thoroughly

24hrs

Swift Action

Immediate suspension during investigation

₹50K+

Legal Penalties

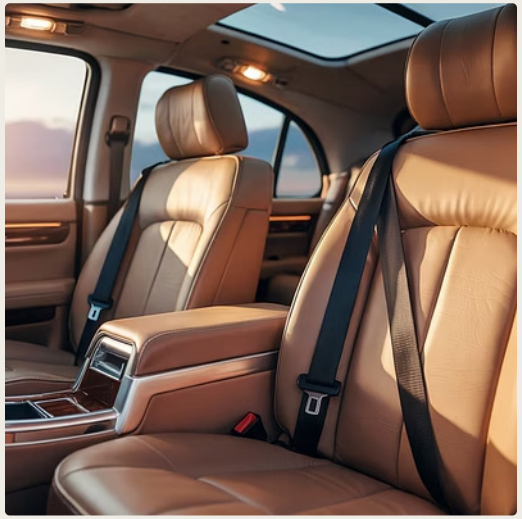
Substantial fines under POSH laws

0

Second Chances

Termination for confirmed violations

Creating a Safe Environment



Essential elements for passenger security and comfort during every ride.

Professional Communication Best Practices

Appropriate	Inappropriate
"Would you prefer the AC adjusted?"	"You look hot in that outfit."
"Is this route okay with you?"	"Where do you live alone?"
"Thank you for choosing our service."	"Can I get your number?"
"I'll be silent if you prefer."	"Why aren't you talking to me?"

Emergency Response Protocols

In-app SOS

One-touch alert to company support

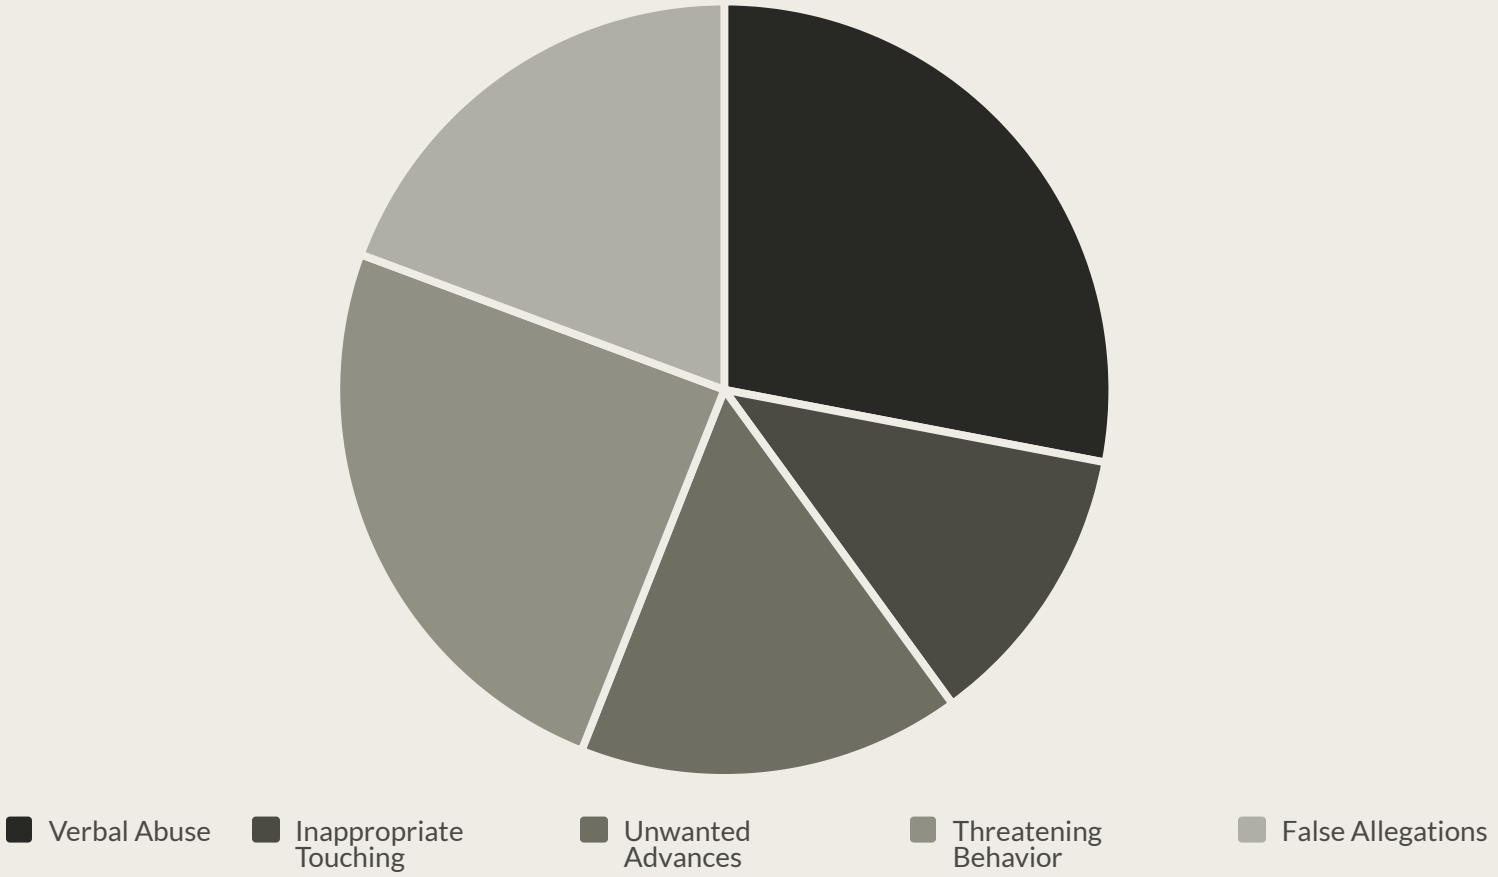
Police Helpline

Direct access to emergency services

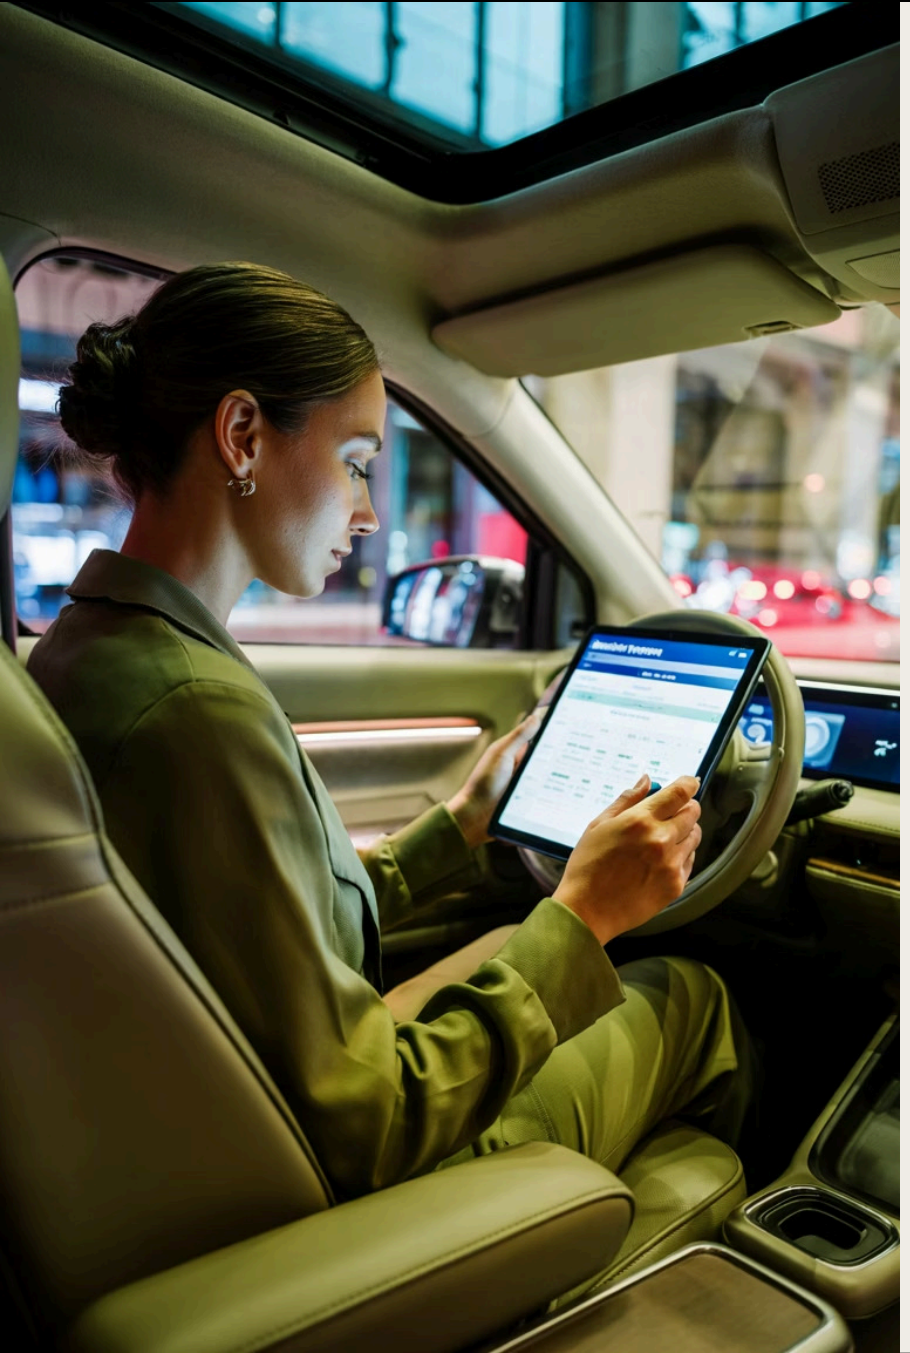
Safe Zones

Designated secure locations

When Drivers Experience Harassment



Drivers have rights too. All harassment incidents deserve proper reporting and action.



Steps for Harassed Drivers
